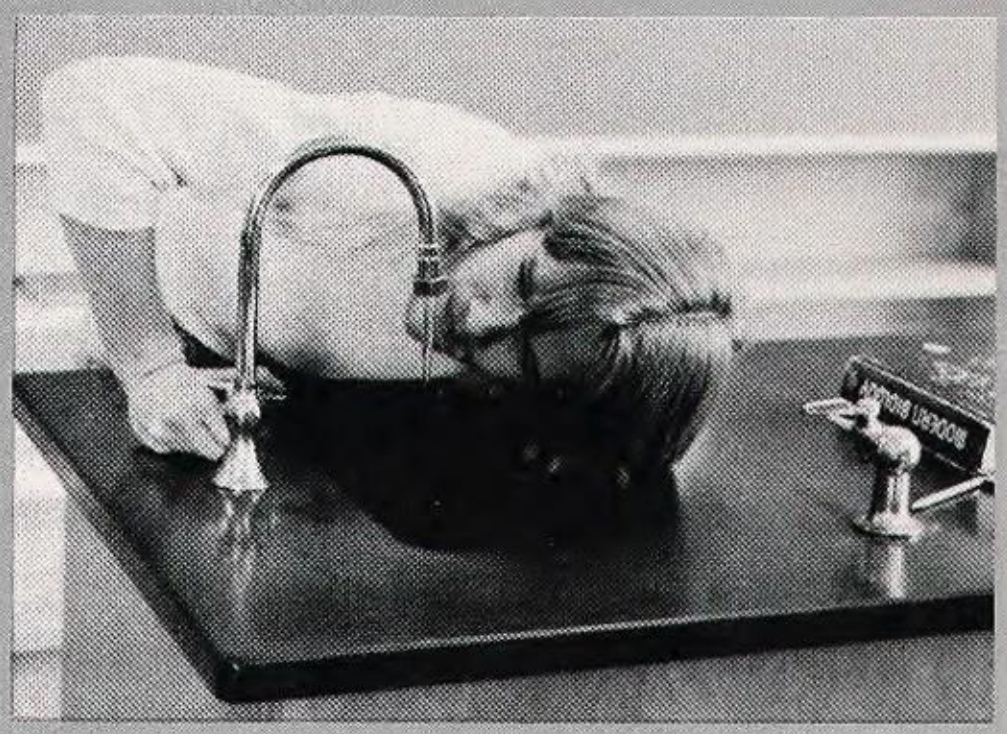
1976-77 A YEAR TO REMEMBER

THE SHIELD has tried to depict life at Warren High School during the most unusual year of our lives. Here are some happenings in a year we'll never forget:

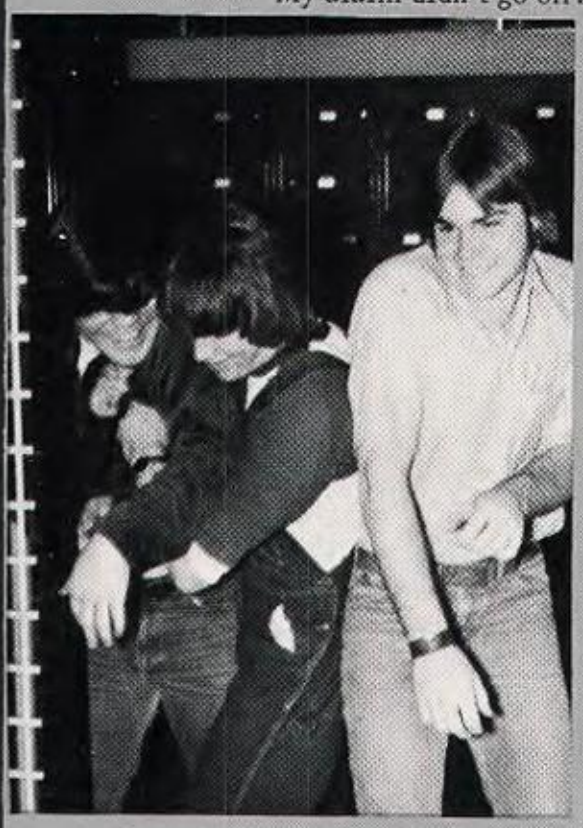
..The coldest winter we can remember.
..More snow than we've ever seen.
..The energy crisis and the gas shortage.
..School closings from lack of fuel, money, and bad roads.
..A year when our school levy was defeated.
..Mr. Gainer was elected Auditor of West Va.
..The swine flu vaccine episode.
..We went sleigh riding and ice skating.
..We walked on the ice on the Ohio River.
..We saw snow muffs which looked like donuts.
..Warren made 102 points in one ball game.
..Dennis made 45 points in one game.
..Christmas vacation began December tenth.
..The last day of school was June tenth.

Is this how George got started?

My alarm didn't go off.



What a way to get a drink!



Someone has to give in.

I supported Carter.

Eavesdropping.

And they looked so good I just had to take a bite.

He loves me, he loves me not.

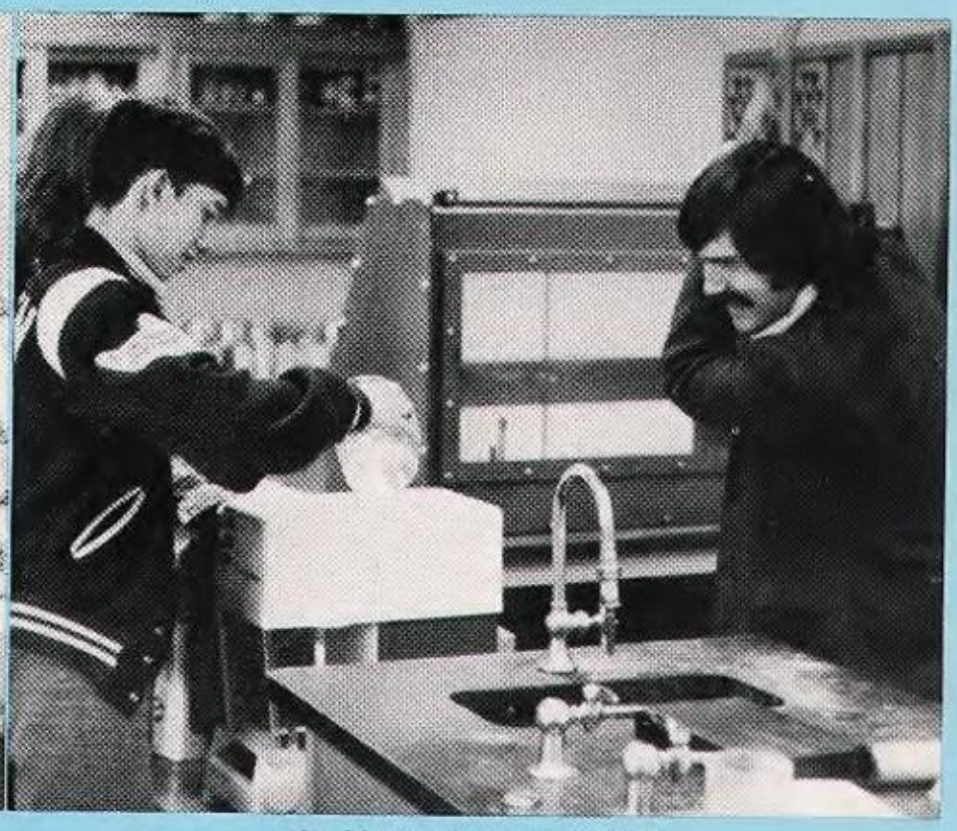
Daydreaming.

Those sophomores and their new rings!



I told you not to touch that!

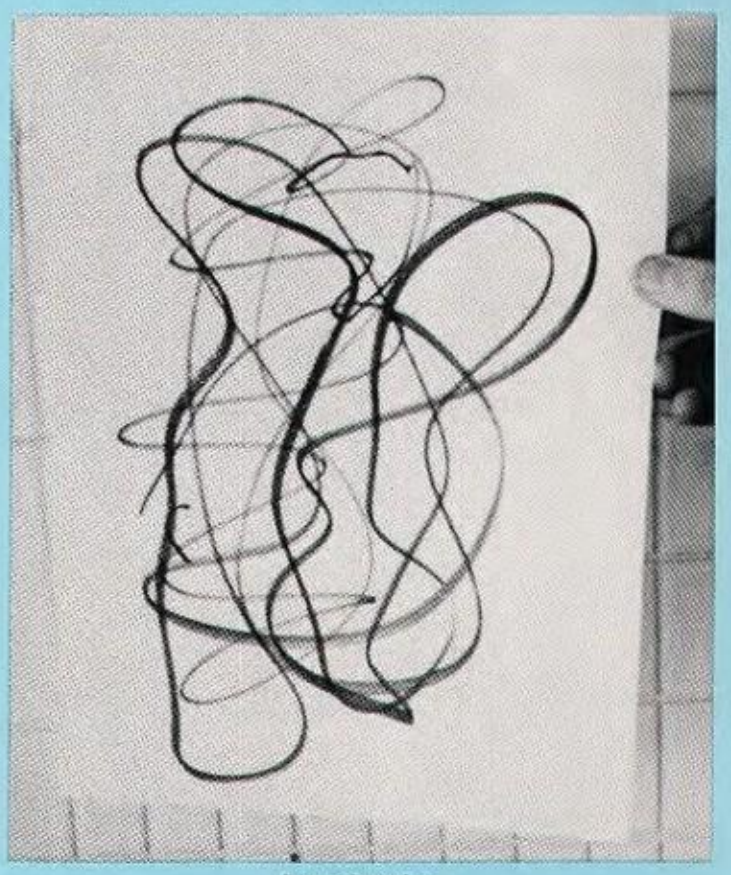
Sherry, you aren't cheating, are you?



Imagination

Have you had a kindness shown?
Pass it on;
'Twas not given for thee alone,
Pass it on;
Let it travel down the years,
Let it wipe another's tears,
'Till in Heaven the deed appears -
Pass it on.
Rev. Henry Burton - PASS IT ON

Raúl Alejandro García Garibay, son of Ramiro and Emilia García, was the second foreign exchange student at Warren. Born in Monterrey, Mexico, he now lives with his family, which consists of his parents, one brother Rogelio and three sisters, Martha, Margarita, and Mirna. Rogelio and Margarita are also foreign exchange students residing in Michigan and Indiana respectively. He was with us for nine months, living with the Gary Wilson family.

His schedule at Warren consisted of Art, Chorus, Civics, Phys. Ed., Spanish, Algebra, and English, compared to that of Chemistry, Algebra, English, Literature, Phys. Ed., History, and Religion at Mexico.

He was involved in the Spanish Club and was also a member of the Spanish Honor Society. In Mexico, Raúl enjoys soccer, otherwise known as fútbol.

Raúl said that there aren't many differences between here and Mexico, and he made the adjustment easily.

When asked what he liked the most he said the people were great, but made it clear that he disliked English. His favorite foods are hamburgers and french fries, compared to tacos in Mexico.

We enjoyed having Raúl as a student here, and are looking forward to more foreign exchange students in the future.

We also want to mention that Willy Aroca, our foreign exchange student of last year, has come back to work toward graduation at Warren High School. Willy's family lives in Peru and he is living at Fleming with the Gary Graham family.

We the class of ''77'' have come a long way since that day when we first entered W.H.S. By sharing together our moods of happiness, disappointment, success, and failure we have accumulated fond memories that will be with us many years after we leave Warren. Even though we may come back to visit, the halls will never again ring with the laughter of the class of ''77.''.

The past four years weren't all studies. There were football games, dances, pep rallies, movies, and assemblies which are sure to affect our future lives.

This year's Homecoming festivities were reigned over by Queen Vicki Lowe and her escort. The sign contest awards were nearly a clean sweep as the Seniors won Theme and Quality and tied for Originality.

As we led the school in athletics we also led in scholastic achievements. Our senior year consisted of ordering announcements and name cards, being measured for caps and gowns, exchanging senior pictures, choosing the blue daisy and silver and blue as our flower and color. As graduation brings our final year to an end, we are proud to display our motto, ''Where no other has gone, let us be the first.''

JUNIORS

In sports the juniors dominated the great Warrior football line, and played an important part in basketball by supplying a strong bench. The Junior girls contributed much to a very successful Warriorette basketball season.

"Hessie of the Hills" was the successful Junior class play with Jim Wright and Gwen Mathews in the leading roles.

For the 76-77 Homecoming, Mary Beth Oliver represented the Junior class as attendant. Her escort was Randy Farley.

Candy bars were sold to raise money for the Junior-Senior Prom.

Juniors' enthusiasm and spirit was displayed through the winning of the spirit stick more times than any other class!

This class, composed of 232 hale and hearty sophomores, has shown their liberation by having been led by an all girls student council for the first two years at Warren High School. The sophomores tied for the originality plaque in the traditional Pep Week. Karen Mason, escorted by Mark Rogers, was this year's class attendant. The energetic sophomores displayed tremendous spirit by winning the spirit stick numerous times during football season.

FRESHMEN

When we came to this monstrous school as freshmen, we were busy trying to adjust to the ways of Warren High. The teachers, classes, and kids were all different but we were ready to try and to learn everything we could. Now that we have adjusted, we have begun to take part in school activities, attend dances and games, and participate in sports. We are ready to keep up the name of our school and live up to our duties when we become upperclassmen. We hope that thru the next three years we can build ourselves and our spirits bigger and better as we go.

LIBRARY

The Warren High School library is a good place for students to study, learn, and enjoy reading. The library has many different types of resources, books, magazines, etc., that make study much easier for W.H.S. students. Mrs. Peoples has done a lot of organizing the materials we have, and has helped all of us in many ways.

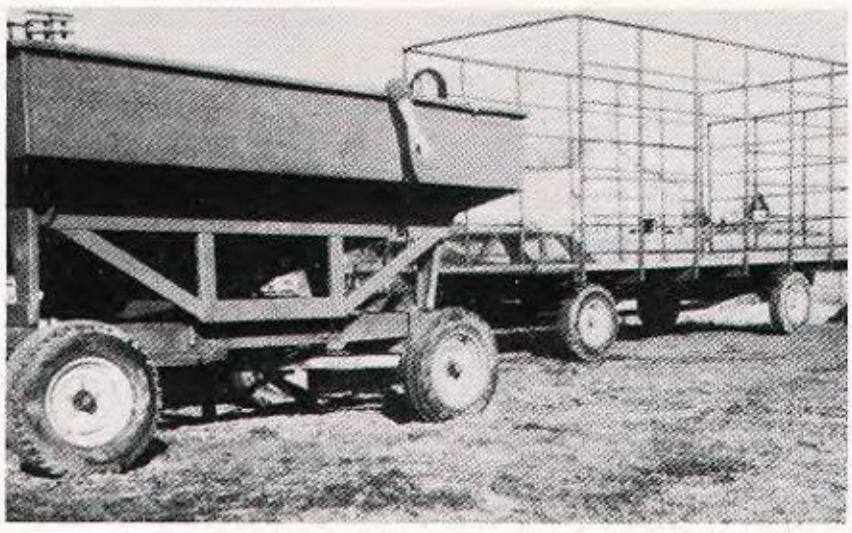
Vocational Agriculture at Warren High School teaches young men and women the basic fundamentals of farming. It also provides instruction in Ag. Business and other agricultural related areas. Vocational Agriculture students don't spend all their time in the class room. "Learning by doing" plays an important part in Vocational Agriculture. For example, students go to other farms and get first hand experience they need in keeping records and managing their own enterprises.

VOCATIONAL AGRICULTURE



The Home Economics Department is continuing to grow with students, teachers, and activities. The classes focus on the basics of individual growth, family and community living, and preparation for adulthood. Along with the annual play-school and style show the classes sponsored a Spring tea.

Since communication is one of the major essentials of life, our English Department strives to provide a program that will aid students in every way possible. The program includes grammar, poetry, literature, speech, and drama, and prepares the student for his future years. Thus by communicating with others we shall be able to master our lives.

Learning a modern language contributes to the development of the student's potential talents and interests to the fullest extent. By broadening his concept of language and increasing the range of his ability to communicate with others, one creates a better appreciation of life in a different cultural and linguistic environment. Not only does the student study the grammar and literature of the language, but also the history of the country with its cultures and customs.

The sciences offered at Warren High School are ISCS, Earth Science, Biology, Chemistry, Physics, and Chemistry II/Biology II. These sciences help the student to think for himself and ask questions. Each day scientists try to solve the perplexing problems of our changing world. At Warren the student acquires a background in science that will enable him to begin to try to solve the unanswered problems of the world.

MUSIC

As a part of the fine arts department of Warren High School we are indeed proud to present the mighty Warriors band and chorus. These courses provide training and instruction for talented students and those who wish to learn to play an instrument. In each of the courses, students acquire the ability to communicate, both in a group and individually. Emphasis is continually placed on the development of talent and skills necessary for self expression.

The four art classes engaged in many exciting activities this year. Assignments ranged from scribble drawings, ceramic paintings, repeat designs and weavings, to three dimensional constructions and macramé. The fourth year art students are encouraged to use their own ideas and choose their own assignments, some of which were outstanding oil paintings and macrames. Students will have the opportunity to display their works in the Annual Art exhibit in Building 1 and the cafeteria at the end of the year.

Students seldom realize just how important the people behind the scenes are at Warren. These include the bus drivers, cooks, cafeteria workers, and janitors.

The cafeteria staff works busily each day to prepare, plan, and serve a variety of meals throughout the week. Meeting all the requirements of good nutrition, they provide a pleasurable atmosphere.

The custodians keep our buildings clean and keep the school running efficiently by completing a daily routine of tasks.

The bus drivers are given the big responsibility of transporting students safely to and from school each and every day.

Cheerleaders are very busy, active, and enthusiastic about school spirit and their teams. The varsity and reserve tryouts are held in the spring following a clinic. Freshman tryouts are in the fall. Cheerleaders are selected on the basis of teacher evaluation and ability. This past summer the varsity squad attended Golden Eagle Cheerleader Camp at Muskingum College, where they learned new jumps, sidelines, mounts, and cheers. Varsity received three 2nd place awards. The reserve squad attended a clinic at Smith Wall Bridge in Marietta, and Ohio State University in Columbus. For new uniforms, camp, and clinic they sponsored car washes, sold candy, programs, and much more. Cheerleaders were also involved in Parents Night, Homecoming, and the new "Fight Song" board.

GIRLS' BASKETBALL

During the 1977 season our Warriorettes came through with flying colors. Getting off to a slow start with no coach, Steve Pottmeyer came into the picture to get the girls going. They ended the year with one of the best records ever at Warren . . . 10-5. Three girls were selected to the all TRAC team. They were Cindy Shawd, Veronica Dickson, and Cindy Lawton. Veronica Dickson was voted Most Valuable Player. The Junior Varsity Team didn't do as well with a 1-10 record, but they are looking forward to a promising season next year.

HOMECOMING QUEEN

VICKI LOWE

The 1976 Homecoming week was filled with excitement for the students at Warren. Student spirit was high. Each class worked hard to show their artistic ability and creativity as they tried to win the traditional sign contest. On Friday, October 22, their spirit was let loose first at the pep rally then at the big game between the mighty Warriors and the Fort Frye Cadets.

During half-time ceremonies, Vicki Lowe was crowned the 1976 Homecoming Queen by the 1966 Queen, Patty Nixon. Superintendent Jones presented the new queen with a dozen long stemmed roses.

Vicki reigned over the Homecoming Dance with the theme "Sundown Road." Everyone danced to the music of "Blue Fog." Mark Atkinson presented Vicki a locket with the compliments of Student Council. Memories of the 1976-77 Homecoming will be cherished for many years to come.

MAJORETTES

Patty Brauer

Even though the majorette corps was small they proved their abilities by twirling flags, using pom-poms and had numerous dance routines. They attended Smith Walbrige Majorette Camp in June and received superior and excellent ribbons.

The Junior Class play, "Hessie of the Hills," was presented on November 18th and 20th. The lead actors were Gwen Mathews playing Hessie, James Wright as Daniel Duckworth, and Lisa Stevens playing Arkansas.

The play was a three-act farce situated in the Ozarks. The city slicker, Daniel, came to the mountains to explore and Hessie fell in love with him. In the final scene Hessie and Daniel decided to get married and everybody lived happily ever after.

THE SHIELD

Top Salesperson - Colleen Oliver

Diligence, ingenuity, and lots of hard work help to provide a good yearbook and this year is no exception. Ads were sold in September to the various neighboring businesses and community response was tremendous. Yearbook subscriptions were sold in November and Colleen Oliver, a junior, was the top salesperson with 86 subscriptions. A yearbook holds many memories and is filled with sports, organizations, classes, school activities, and humorous events.

Darrell Short and Kim Arnold, seniors, served as co-editors of the 1977 Shield.

ROW 1: Cindy Bolden, Darrell Short, Valerie Hanger, Kim Arnold, Pam Wilson. ROW 2: Mrs. Stalnaker, Nancy Pahl, Dave Mason, Colleen Oliver, Linda Mulligan, Kim Lowe.

Organizations

band and drill team practice - "lets run through it one more time" - losing your hat during the first halftime show - painting sets for the senior play - looking out across the footlights and remembering your lines - meeting that final yearbook copy deadline (at 2:00 a.m.) - early student council meetings - setting the alarm for 5:30 instead of 6:00 o'clock ...

ROW 1: Todd Spence, Cindy Lawton, Mark Atkinson, Kim Benedict, Colleen Oliver, Mrs. Luthy. ROW 2: Karen Mason, Cindy Bolden, Missy Farley, Dave Mason, Kim Arnold, Pam Baker. ROW 3: Beth Arnold, Ron Buck, Willie Aroca, Paula House, Teresa Lowe, Saundra Secoy. ROW 4: Phil Spindler, Charlie Buck, Darrell Short, Earl Place, Rusty Richards.

The Student Council is active in helping the student body, faculty, and administration. Throughout the year there were many activities in which Student Council members were involved. All the activities during Homecoming week, including the dance, were arranged by Student Council. Other activities during the year included having three movies, a dance, a fund raising day for Muscular Dystrophy, and at Easter having two Easter Bunnies give each teacher an Easter egg.

Next year they plan to accept the challenge of entering into competition with debate teams from other area schools.

The Drama Club presented film strips on giving a play. The club also was honored to have a guest speaker who talked about taking Drama in College. To improve the acting ability in the club, they played charades to teach the fundamentals of acting. The club also donated money to get the sound system fixed in the auditorium.

This club is responsible for photographing and printing the Battle Cry. Careful planning, exact figuring, and plenty of hard work are just a part of what goes on. It is a very important club and members can gain valuable information and experience by getting involved.

EVENTIDE FOR CHRIS

The skies wept softly
when you went away.
Their tears fell
unrestrained through
the long night and day.

The sun looked down upon
your silent lips
And hid its golden light
in the sympathy
of an eclipse.

For you who loved the
open sunlit sky,
Trees, the water, and
the birds that fly,
You'll not be walking across
the broad green land;
God walked this way -
and He gently took
your hand,
To lead you Home.

And now when we see
grey skies or hear the
sounds of rain,
We'll not weep too long
nor mind the sudden pain;

For where YOU are now,
the lovely never dies,
And you shall WALK
FOREVER
under sunlit skies.

. . . written by Mrs. Maurice Fleming

IN MEMORY OF CHRISTINE ANDERSON

The students of Warren High will always remember Chris Anderson, and the many happy times we have had together. Chris was a happy, active person throughout her life and could cheer anyone up even in the hardest of times. As we walked down the halls the presence of Chris was always there as she spoke to everyone she met.

Chris was very active in the band and chorus. Anywhere the band went, she kept them smiling and was always leading the group in singing and dancing. She was in all the chorus activities, and spring reviews. Chris was also involved in many clubs in school as well as many activities outside school.

As we continue to recall all of the memorable times we've had with Chris, let us carry on our lives as Chris would have, being friendly, happy, and nice to everyone we meet. Editors: D. S. and K. A.
